MASONITE®

Peg-Board®

•MULTI-PURPOSE STORAGE SOLUTIONS•

A practical and highly adaptable perforated hardboard panel, Peg-Board® creates tidy spaces from empty spaces in conventional and unconventional places.

This remarkable versatility is enhanced by a large range of functional fittings available from most leading hardware stores country-wide.

APPLICATIONS

- Storage panels for workshop and garden tools, kitchen utensils, office equipment, clinics and hospitals.
- Coordinated spaces for children's toys, clothing and jewellery.
- Wire and equipment managers for the computer industry.
- Merchandising aids for gondola, window and store displays.
- Ceiling units for mobiles and art displays in schools, crèches and universities.
- Decorative wall arrangements.

FIXING INSTRUCTIONS

Masonite Peg-Board® can easily be cut to size with normal wood working tools and painted to match the décor of your choice. A large range of accessories is available from most leading hardware stores.
